Re: Pension/DROP Calculator Self Service Site

Human Resources and Labor Relations Retirement Services, in partnership with the Retirement Board, is pleased to launch the new platform of the Pension/DROP Calculator self-service site. This allows employees to calculate their estimated monthly pension and calculate their DROP account balance, if a DROP participant.

Full-time employees who are participants in the Defined Benefit (DB) plan (hired before January 1, 2016) or are participants in the DROP, may utilize this tool. You must re-register to have access to the self-service site. Step by step registration instructions and tips that may assist with this process are below. To start the registration process, please copy and paste this link into your browser:

If you believe your account information is incorrect, you may request to have your file formally reviewed by Retirement Services. Please complete the "Retirement Service Review" form located under the Plan Information tab on the self-service site. If you are unable to register successfully, please feel free to email Retirement Services at Retirement@macombgov.org.

Full-time employees who were hired after January 1, 2016, the link to register and view your 401a Vanguard account balance is below. You can also update fund allocations and maintain your beneficiary records through the Vanguard website.

A huge thank you goes out to Stephanie Dobson, Cindy Mitchell and Jennifer Frounkfelker for working as a team to get this site back up and running. It was a huge task with a lot of roadblocks and they persevered and got it done. Macomb County employees are better for your efforts and I know they are truly appreciative.

Take care everyone.
