As a self-funded group, you are solely responsible for compliance with the federal Summary of Benefit and Coverage (SBC) rules, including SBC creation and distribution. BCBSM does not assume any responsibility for SBC rule compliance relating to your group health plan, or for creation or disclosure of compliant SBCs. This SBC template document is being provided as an example that may contain useful information concerning your BCBSM administered coverage as you create your own group health plan's SBC. This SBC template document being provided is not fully compliant with the SBC federal rules. It is your responsibility to work with your legal counsel to ensure proper compliance with the federal SBC rules. This SBC template document does not constitute legal, tax, actuarial, accounting, benefit design, compliance or other advice. BCBSM disclaims any liability or responsibility for any non-compliance by your group health plan with SBC rules and regulations relating to creation, disclosure or other requirements. You should also note that there may be additional special circumstances which may be applicable to your specific group health plan situation which may affect SBC content, including but not limited to account type arrangements such as flexible spending accounts (FSA), health reimbursement arrangements (HRA), and health savings accounts, (HSA), or for example, wellness programs, reference based pricing or benefits, or coverage not administered by BCBSM, or whether the coverage provides minimum essential coverage. If you have an ASC Plan Modification, it may be defined here in only a limited way.
The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately.

This is only a summary. <th>Important Questions</th>
<th>Answers</th>
<th>Why this Matters:</th>
</tr>
</thead>
<tbody>
<tr>
<td><strong>What is the overall deductible?</strong></td>
<td>$1,500 Individual/$3,000 Family</td>
<td>Generally, you must pay all of the costs from providers up to the deductible amount before this plan begins to pay. If you have other family members on the plan, each family member must meet their own individual deductible until the total amount of deductible expenses paid by all family members meets the overall family deductible.</td>
</tr>
<tr>
<td><strong>Are there services covered before you meet your deductible?</strong></td>
<td>Yes. Preventive care services are covered before you meet your deductible.</td>
<td>This plan covers some items and services even if you haven’t yet met the deductible amount. But a copayment or coinsurance may apply. For example, this plan covers certain preventive services without cost-sharing and before you meet your deductible. See a list of covered preventive services at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a>.</td>
</tr>
<tr>
<td><strong>Are there other deductibles for specific services?</strong></td>
<td>No.</td>
<td>You don’t have to meet deductibles for specific services.</td>
</tr>
<tr>
<td><strong>What is the out-of-pocket limit for this plan?</strong></td>
<td>$6,350 Individual/$12,700 Family</td>
<td>The out-of-pocket limit is the most you could pay in a year for covered services. If you have other family members in this plan, they have to meet their own out-of-pocket limits until the overall family out-of-pocket limit has been met.</td>
</tr>
<tr>
<td>(May include a coinsurance maximum)</td>
<td>$12,700 Individual/$25,400 Family</td>
<td></td>
</tr>
<tr>
<td><strong>What is not included in the out-of-pocket limit?</strong></td>
<td>Premiums, balance-billing charges, any pharmacy penalty and health care this plan doesn’t cover.</td>
<td>Even though you pay these expenses, they don’t count toward the out–of–pocket limit.</td>
</tr>
<tr>
<td><strong>Will you pay less if you use a network provider?</strong></td>
<td>Yes. See <a href="http://www.bcbsm.com">www.bcbsm.com</a> or call the number on the back of your BCBSM ID card for a list of network providers.</td>
<td>This plan uses a provider network. You will pay less if you use a provider in the plan’s network. You will pay the most if you use an out-of-network provider, and you might receive a bill from a provider for the difference between the provider’s charge and what your plan pays (balance billing). Be aware, your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services.</td>
</tr>
<tr>
<td><strong>Do you need a referral to see a specialist?</strong></td>
<td>No.</td>
<td>You can see the specialist you choose without a referral.</td>
</tr>

Does this plan meet Minimum Value Standards? Yes

If your plan doesn’t meet the Minimum Value Standards, you may be eligible for a premium tax credit to help you pay for a plan through the Marketplace. (IMPORTANT: Blue Cross Blue Shield of Michigan is assuming that your coverage provides for all Essential Health Benefit (EHB) categories as defined by the State of Michigan. The minimum value of your plan may be affected if your plan does not cover certain EHB categories, such as prescription drugs, or if your plan provides coverage of specific EHB categories, for example prescription drugs, through another carrier.)

About these Coverage Examples:

This is not a cost estimator. Treatments shown are just examples of how this plan might cover medical care. Your actual costs will be different depending on the actual care you receive, the prices your providers charge, and many other factors. Focus on the cost sharing amounts (deductibles, copayments and coinsurance) and excluded services under the plan. Use this information to compare the portion of costs you might pay under different health plans. Please note these coverage examples are based on self-only coverage.
