Re: Bonding Behind Our Masks

Macomb County is excited to announce the release of the newest offering from the Dignity Campaign. A new online training course, titled *The Dignity Campaign: Bonding Behind our Masks*, is now available in NEOGOV Learn. We are providing this course in an effort to better equip you to communicate effectively with not only coworkers and members of the public, but also family and friends while wearing a mask as we continue to push through this pandemic. While it is not required to be completed, we encourage you to review this short, insightful course. It's our intention to make these short-optional trainings available more often to give all staff the tools to make their lives easier and to get everyone on the same page when it comes to expectations.

For your convenience, you have already been enrolled in the Dignity Campaign: *Bonding Behind our Masks* training. The course can be found on your NEOGOV Learn Dashboard, or under the "My Courses" tab. Log into NEOGOV Learn with your username and password by clicking [HERE](#).

In addition to this training, please keep a close eye on your email over the next couple weeks. There will be important information from the HRLR and Finance offices that we are certain you will want to be aware of. Hopefully, the first communication will come out tomorrow evening and I believe it will be very good news for everyone.

Thank you for partnering with us in our efforts to promote dignity through every interaction and communication.
