Re: Michigan and Federal Labor Law Posters

As you may already be aware, the county currently displays required state and federal labor law notices in well-trafficked areas within all of our facilities. In order to make these notices readily accessible to our employees working remotely, as well as to applicants for employment, we have added an electronic version of the all-in one Labor Law Poster to the bottom of our Career Opportunities internet page. We feel this "online" notice is another positive evolution of our working environment.

To view this poster, please visit: <https://hrlr.macombgov.org/HRLR-CareerOpportunities>

Thanks for all that every one of you continue to do to meet the challenges of this pandemic.

Take care.
