You may be aware of our educational partnership with Davenport University. Over the years a number of our staff have pursued degrees and accreditations from Davenport to advance themselves in their careers.

On **Wednesday, February 23, 2022**, the University will hold a virtual town hall to continue to assist us in making our staff aware of all Davenport has to offer. Thereafter, if you have questions regarding the partnership, Davenport University staff has agreed to be available virtually to answer them.

Below you will find information on these sessions and how to sign up:
