I'm happy to share that Vanguard has opened up additional one-on-one meeting opportunities next week. Below is the information we previously shared regarding the one-on-one educational sessions that are available.

Human Resources and Labor Relations ("HRLR") is pleased to announce upcoming virtual one-on-one Educational Sessions with Vanguard. Their expertise helps to provide education on different investment choices, such as the Vanguard fund options, retirement goal setting, and investment strategies.

The sessions are available beginning Tuesday, August 2, 2022 thru Thursday, August 4, 2022 from 9:00 am - 4:00 pm.

These sessions have a tendency to fill up quickly and are on a first come first served basis. Additionally, **due to the limited number of sessions, please limit yourself to a single one-on-one session with an investment advisory group, Vanguard and FSDC Advisory LLC.**

To schedule a session, please go to meetvanguard.com to schedule an appointment.
