Human Resources and Labor Relations is pleased to announce additional in-person, one-on-one consultation sessions with FSDC Advisory LLC. Macomb County partners with FSDC Advisory LLC to provide financial planning services. Their expertise as licensed financial advisers helps to provide education on different investment choices, retirement goal setting, and investment strategies.

These sessions will fill up quickly and are made on a first come first served basis. **Due to the limited number of sessions, please limit yourself to a single one-on-one session per year with an investment advisory group, Vanguard and FSDC Advisory LLC.**
